Amid constant, seething tides of war and bloodshed, burgeoning greenskin empires rise and fall. Numerous beyond belief and driven always to fight and conquer, the Orks threaten to overwhelm every single galactic empire, stronghold and race. While their thirst for battle has always proved their downfall, causing brutal infighting that keeps them from crushing all opposition, occasionally a great leader rises who is capable of unifying the squabbling tribes, and soon a Waaagh! is underway - partially a migration, partially a holy war. When the Orks are on the rampage, the galaxy trembles - and in these dark times, more Waaaghs! are rising than ever before.

Codex: Orks contains a wealth of background and rules - the definitive book for Orks collectors. Within, you'll find:

- The Barbarous Hordes: the history, motivations and beliefs of the Orks - a race that has avoided the angst-ridden trappings of other, more philosophical creatures by simply drawing contentment from hitting everything.
- The Green Menace: an overview of Ork society and ecology, theories on exactly how their numbers increase so quickly and details of their hangers-on - the Gretchin and Snotlings who perform menial tasks in exchange for protection.
- Greenskin Kultur: detailing Ork hierarchy, their excellence in warfare and their desire for speed and dakka, this section demonstrates the Ork way of life.
- The Ork Gods: Gork (brutal but kunnin') and Mork (kunnin' but brutal), gods honoured by

destruction, and evoked by huge armoured war-suits designed to smash stuff up.

- Details of Ork tribes and clans, with descriptions, background and heraldry for the following: Goffs, Evil Sunz, Blood Axes, Deathskulls, Bad Moons, Snakebites, and Freebooterz.
- A selection of Ork glyphs - a list of pictorials and their meanings to help you kustomise your own Ork collection.
- Gathering the Waaagh!: war on an apocalyptic scale, Waaaghs! can swallow entire civilisations whole, gathering strength and size with every shot fired and every punch thrown. This section explains how they spontaneously erupt around particularly strong leaders.
- A galactic map showing the drastic greenskin expansion, with enormous Waaaghs! picked out in an appropriately green hue.
- A timeline of major events and battle in Ork history.
- Background on each unit available to an Ork army.
- A showcase of beautifully painted Citadel miniatures, with example armies featuring everything from individual images of models to battle scenes on terrain.
