You're browsing through thousands of books on so you can have a healthy newborn child or in need of help getting your child to sleep. You've read from many articles online but none of them seem to know what they're talking about. I want you to know that, pregnancy can be scary and without the proper information make the whole 9 months a nightmare. Your search can stop. My books are tailored to be concise and straight to the point. You'll learn everything you need about pregnancy so by the end of the 9 months you'll have a healthy newborn. Afterwards the real fun begins when you're trying to get him / her to sleep. That's where I have my second book to help your infant sleep with modern training.
