The world knows Lamar Odom as a two-time NBA world champion who rocketed to uncharted heights of fame thanks to being a member of both the storied Los Angeles Lakers and the ubiquitous Kardashian empire.

But who is Lamar, really?

Fans have long praised his accessibility and genuine everyman quality—he is a blinding talent who has suffered a series of heartaches, setback, and loss. But until now, his most candid moments have remained behind closed doors . . .

sometimes face-down on the floor.

In *Darkness to Light*, Lamar gives readers an intimate look into his life like never before. His exclusive and revealing memoir recounts the highs and lows of fame and his struggle with his demons along the way to self-discovery and redemption. From the pain of his unraveled marriage to Khloé Kardashian to the harmful vices he used to cope—and the near-death experience that made him rethink everything about his life—this is Lamar as you have never before seen him.

Lamar brings basketball fans directly into the action of a game during the Lakers championship years. He shares his personal account of the lifelong passion that started as one shining light in a childhood marked by loss and led to his international fame as one of the most extraordinary athletes of all time.
