## Etiquette Guide to Japan Boyé Lafayette De Mente Read ebooks [EN] PDF, ePub, Mobi, Farewell to faux pas!

Minding your manners is an acquired skill, but what serves you well elsewhere could trip you up in Japan. Save yourself possible embarrassment with *Etiquette Guide to Japan*. An inside look at Japanese social graces, it answers all the questions of the thoughtful traveler. Extensive, specific information on Japanese business etiquette assists readers traveling to Japan for business.

Although often overshadowed by a modern facade, long-standing traditional aspects of Japan's culture still influence the country and almost everyone in it. Concrete evidence of this traditional culture can be seen everywhere—in the ancient arts and crafts that are still important parts of everyday life, in the many shrines and temples that dot the nation, and in the modern comeback of traditional fashions such as kimono and yakata robes.

To many Western visitors, however, the most obvious example of this traditional culture's strength is the unique etiquette of the Japanese. Like many nations, Japan has experienced vast political, social, and economic change over the past century. But enough of Japan's traditional etiquette remains to set the Japanese apart socially and psychologically and to make success in socializing and doing business with them a special challenge for Westerners.

### About this new version:

This updated and expanded edition of the best-selling Japanese etiquette guide addresses not just the puzzling protocols relating to name cards, bowing or shaking hands, bathrooms and public baths—but also what to do when entertaining Japanese dinner guests, attending a Japanese tea ceremony, taking the subway, and much more! It also provides the latest etiquette in mobile phone manners, texting, social media and other forms of digital communication.

The glossary at the back of the book has been revised to include the latest technology-related words and expressions used by Japanese today. Two new chapters address the changing role of foreigners in the workplace and the contemporary business style and etiquette used by the younger generation of Japanese who are now increasingly cosmopolitan—but still very Japanese!
