**Expose Drew Jordan Read ebooks [EN] PDF, ePub, Mobi,** The thrilling conclusion to the CRASH trilogy is told from The Stranger's point of view.

The first time I saw Laney I thought she was dead in the wreckage of that plane crash. She was still and pale, her hair tumbled around her face as she slumped slightly to the side. Like a perfect porcelain doll on a little chair, and I thought it was a waste of such a beautiful face. But then her eyes popped open and they were filled with pain and fear.

I knew that look. It was the look of every animal that has been hunted and hasn't died yet. She was the fox with her leg in the trap, and I freed her from the seat crushing her foot, picked her up and took her home.

I am the hunter. She is the prey.

No one can trap her but me, but danger is coming. I need to plan very carefully how to save Laney's sexy little ass and keep her all to myself.

She thinks she is love with me, and maybe she is. I hope she is. Because I love her too, even if I have a strange way of showing it...

All his secrets are exposed as he and Laney's erotic relationship reaches its climax.

For mature readers only. EXPOSE follows CRASH and HIDE- the series should be read in order for maximum enjoyment.
