Do you ever get the idea that being a godly wife means you need to be a mousy doormat? Be as unnoticeable as a doorknob? Or have a personality transplant?

*Fierce Women: The Power of a Soft Warrior* smashes that idea. No matter whether you're an extrovert or more introverted, Kimberly Wagner believes women are created to be a compelling force.

You may not see yourself as beautifully fierce or even slightly strong, but what if God has placed a powerful fierceness within you, within every woman? Kim admits her fierceness became a source of conflict in her marriage, but the relationship dynamic totally changed when she discovered her fierce strengths could be used to encourage and inspire her husband. She invites you to come alongside as she takes an

honest look at a destructive relationship dynamic and casts a vision for the transformation God can bring to troubled marriages.
