Illustrated with photographs from dozens of real weddings, this book celebrates the romantic, bold, vibrant arrangements created by today's top floral designers using local flowers and other botanicals. It includes advice for DIY weddings, and instruction in basic floral design techniques.

Step-by-step photo essays show how to make a hand-tied bouquet, a boutonniere, a mason jar centerpiece, and a large altar arrangement.

Four videos totaling 75 minutes teach you the mechanics and overall thought process that go into creating flowers for an event. Designer Erin Benzakein demonstrates how she constructs an abundant bridal bouquet, a large altar arrangement, a low and lush centerpiece, a boutonniere and a pin-on corsage.
