Fresh Wind, Fresh Fire Jim Cymbala Read ebooks [EN] PDF, ePub, Mobi, In Fresh Wind, Fresh Fire, pastor Jim Cymbala shares the lessons he learned when the Spirit ignited his heart and began to move through his people. Cymbala knows that times are urgent, but God is on the move.

Pastor Jim Cymbala believes that Jesus wants to renew his people - to call us back from spiritual dead ends, apathy, and lukewarm religion. Cymbala knows the difference firsthand. Back in the early 1970s, his own church, the Brooklyn Tabernacle, was a struggling congregation of twenty. Then they began to pray, God began to move, and street-hardened lives by the hundreds were changed with the love of Christ. Today, they are nearly ten thousand strong.

This well-loved book, with over one million copies sold, shares the story of what happened to this broken-down church in one of America's toughest neighborhoods and points the way to new spiritual vitality in the church and in your own life. Fresh Wind, Fresh Fire shows what the Holy Spirit can do when

believers get serious about prayer and the gospel. As this compelling book reveals, God moves in life-changing ways when we set aside our own agendas, take him at his word, and listen for his voice.

In this new 20th anniversary edition, Cymbala updates the classic stories, including that of his own daughter, Chrissy Cymbala Toledo. He talks about how the church has grown and how God helped the church move from its location on Flatbush Avenue to a larger facility that the growing church couldn't "afford." And it is so appropriate that the church meets in a building that was once a theater, as God is dramatically reshaping the life stories of so many people who encounter Christ and the power of the gospel. This message of hope and transformation continues.
