The greatest love stories start with blood...

A plane crash brought me to the cabin in the woods with the stranger, but love and sex keeps me here, as his willing captive. Nothing can take me from his arms, not even a man from my past. But the police have questions for me. For us.

All I've ever wanted is to stay with the stranger, the man I crave and need, but my secrets are starting to unravel. Escape is what the stranger demands and I'll do anything for him, including leaving the cabin and creating a new identity. I'll do whatever he tells me to do- with my body, my heart, my soul.

The last time I loved, I lost. I won't let that happen again.

HIDE is the follow up to the bestselling erotic thriller, CRASH, with the series conclusion, EXPOSE (the Stranger's Story), available now. For mature readers only.

All you need is love and a strong alibi...
