I Declare War Levi Lusko Read ebooks [EN] PDF, ePub, Mobi, In both sports and war, athletes and soldiers must work to have a mental edge to successfully deal with all that they encounter. While success for both is typically defined as overcoming their respective opponents, the reality is that their victories can never happen unless they've first won their internal battles.

I Declare War is a practical guide for fighting our inner war, the struggle against sin that breaks us down and fills our lives with pain and suffering, in turn making us feel weak and inadequate. With personal stories of his own struggles with night terrors, anxiety, narcissism, and self-doubt, Pastor Levi points readers to the hope and power that God offers in his Word.

From stockbrokers and soccer moms to skateboarders and sorority sisters, I Declare War is for anyone who struggles with depression, fear, anxiety, suicide, negative thoughts, addiction, lust, pride, jealousy, resentment, abuse, anger, self-doubt, eating disorders, and/or codependent relationships. Pastor Levi doesn't offer a quick fix or the perfect life if you follow prescribed steps but, instead, helps guide readers in how to think right so they can live right.
