Reviews of Côte de Beaune:

Tamlyn Currin, JancisRobinson.com: "This puts all the electronic 'e's into Beaune Heaven. The maps are coloured, crisp and detailed, with a 'tap to zoom' feature that had me peering at the contour lines of Chassagne-Montrachet for a mesmerised time. I'd practically walked that vineyard by the time I left the page.

"Visually, it's a delight. The font and clarity and spacing of the layout is so crystal-clear. What gives the e-book a jewelled edge is the addition of the luminously beautiful photographs; Burgundy seen through the lens of an artist, glowing with colour and so vivid it looks close enough to touch."

Comments from wine enthusiasts:

"Best ebook I've ever seen as far as wine education goes, hands down."
