Larynx & Vocal Folds ID Blue Tree Publishing, Inc. Read ebooks [EN] PDF, ePub, Mobi, The Larynx & Vocal Fold ID eBook provides a comprehensive introduction to the structure of the human larynx. Included in Larynx & Vocal Fold ID are 8 animations, 120 detail illustrations and 3 videos. Arranged as a picture book; the larynx is shown from anterior, posterior, lateral and superior views. Included are superior views of the vocal folds and associated muscles. Each view is broken into several isolated parts; cartilage, membranes, muscles and ligaments. Each view includes text descriptions. Within the multimedia capabilities of this eBook is easy access to 48 glossary entries of terms and definitions, fully cross-referenced. A knowledge check is provided at the end of each chapter section to let readers test their knowledge using a variety of question types; multiple choice, choose the correct image and label the image. The advantage offered by an eBook is that authors may employ a variety of multimedia

tools to portray the concepts being addressed. The ability to insert “post it” notes into the text assists the reader in making comments, forming questions, and later returning to crucial sections in the chapters for clarification. As such, the eBook format is ideally suited as an introductory course in the human laryngeal system.
