Blair Dyson found her dream man—the sexy, wealthy and powerful Trevor Baker—a real-life version of all the alpha males she read about in countless romance novels.

But the relationship is nothing like those books led her to believe it would be, and now she wants out. A stunning discovery of one of Trevor’s secrets gives her the push she needs to make the final break.

Free of Trevor, she vows to focus on her rapidly advancing career and to put men to the side for a while.

Then Sam Vonn, an acquaintance from Blair’s past, enters her life again, just at the wrong time.

Or could it be the right time? A casual arrangement with Sam might be exactly what Blair needs as she reclaims her life.

Before long, she finds keeping things casual with Sam more complicated than she expected, and erasing Trevor from her life more difficult than she hoped.
