

Marriageology - Belinda Luscombe Read Ebooks [EN] PDF, EPub, Mobi

Marriageology Belinda Luscombe Read ebooks [EN] PDF, ePub, Mobi, A smart and concise guide to staying together that draws on scientific findings, expert advice, and years in the marital trenches to explain why marriage is better for your health, your finances, your kids, and your happiness

Like you, probably, Belinda Luscombe would rather have had her eyes put out than read a book about marriage; they all seemed full of advice that was obvious, useless, or bad. Plus they were boring. But after covering the relationship beat for *Time* magazine for ten years, she realized there was a surprisingly upbeat and little-known story to tell about the benefits of staying together for the long haul. Casting a witty, candid, and probing eye on the latest behavioral science, Luscombe has written a fresh and persuasive report on the state of our unions, how they've changed from the marriages of our parents' era, and what those changes mean for the happiness of this most intimate and important of our

relationships.

In *Marriageology* Luscombe examines the six major fault lines that can fracture contemporary marriages, also known as the F-words: familiarity, fighting, finances, family, fooling around, and finding help. She presents facts, debunks myths, and provides a fascinating mix of research, anecdotes, and wisdom from a wide range of approaches—from how properly dividing up chores can result in a better sex life to the benefits of fighting with your spouse (though not in the car) to whether or not to tell your partner that you lost \$70,000. (The last one is from firsthand experience.)

Marriageology offers simple, actionable, maybe even borderline fun techniques and tips to try, whether the relationship in question is about to conk out or just needs a little grease and an oil change. The best news of all is that sticking together is easier than it looks.

Praise for *Marriageology*

"I'd recommend this book to anyone who is married. Or thinking of getting married. Or knows anyone who is married. Or who is simply interested in getting along with other human beings. Belinda Luscombe combines science, memoir, and sharp wit in this fascinating and useful book. She takes on myths about everything from soul mates to finance to going to bed angry (her advice: Do it!). Skip the gravy boat and give this as a gift to all your engaged friends."—**A. J. Jacobs, author of *The Year of Living Biblically***

Marriageology - Belinda Luscombe Read Ebooks [EN] PDF, ePub, Mobi

Marriageology Belinda Luscombe Read ebooks [EN] PDF, ePub, Mobi, Are you looking for marriageology PDF?.
