You are the type of woman that men grow bored with and replace. Your beauty, your brains, your perceived uniqueness is hype. In your bias world, a man would be lucky to have a woman like you because you aren't like every other female. The brutal truth that we men refuse to tell you, is that you are painfully typical. You flirt like every other woman. You hold the same conversations as every other woman. You read the same typical relationship advice and try the same tricks as every other woman. All because you are obsessed with being loved like every other woman.

Men play along but they don't play for long. You are the woman we date and then dump. Sleep with then forget. Get into a relationship with, then eventually grow bored of. You will never work out because you don't stand out! The men you want the most, want you the least because you are just as ordinary as the women you claim to be better than.

No man is hard to figure out. No man is emotionally unavailable. No man is unready to settle down. When a man tells you he's not looking for anything serious, he means "with you!"

There are two types of women The Placeholder & The Game Changer. You are The Placeholder, that girl who fills a man's needs until The Game Changer arrives. A man will date you, sleep with you, even enter into a relationship, but you are not what he really wants. You are a practice woman, preparing him for his future wife. Aren't you tired of being just another seat filler? Will you become yet another mediocre woman that ends up settling for average because great men don't see her as anything special? Or are you ready to Spartan Up and learn how to become his Game Changer...
