Throughout her life, Elaine Welteroth has climbed the ranks of media and fashion, shattering ceilings along the way. In this riveting and timely memoir, the groundbreaking journalist unpacks lessons on race, identity, and success through her own journey, from navigating her way as the unstoppable child of an unlikely interracial marriage in small-town California to finding herself on the frontlines of a modern movement for the next generation of change makers.

Welteroth moves beyond the headlines and highlight reels to share the profound lessons and struggles of being a barrier-breaker across so many intersections. As a young boss and often the only Black woman in the room, she's had enough of the world telling her—and all women—they're not enough. As she learns to rely on herself by looking both inward and upward, we're ultimately reminded that we're more than enough.
