Surrounded by the mountains he once conquered, Brodie is trying to find a future that makes sense. But what doesn't make sense is a beautiful singer who chose to walk away from her dream.

Chelsea Cole was a country music singer on her way to the top when her music inspired a tragedy. Unable to face her fans or the spotlight, she went into hiding, reinventing herself as a music teacher. She wants a quiet life, free of drama and pain, and Brodie McGuire cannot be part of that life. He is loud and brash and has no respect for her boundaries. His sexy charm tempts her out of the cocoon she has wrapped herself in, but is more pain waiting?

Brodie wants Chelsea to find her voice, but if she does, will she be one more dream he has to give up?
