"At last, here are the insights and answers parents have been searching for." -Dr. Temple Grandin

For children with sensory difficulties - those who struggle process everyday sensations and exhibit unusual behaviors such as avoiding or seeking out touch, movement, sounds, and sights - this groundbreaking book is an invaluable resource. Sensory processing challenges affect all kinds of kind - from those with developmental delays, learning and attention issues, or autism spectrum disorder to those without *any other* issues. Now in its third edition, *Raising a Sensory Smart Child* is even more comprehensive and helpful than ever.

In this book, you'll learn:

- *How the 8 senses (yes, 8!) are supposed to work together and what happens when they don't
- *Practical solutions for daily challenges-from brushing teeth to getting dressed to handling holiday gatherings
- * Strategies for managing sensitivities to noise, smell textures, and more
- *"Sensory diet" activities that help meet sensory needs, with new ideas for kids, teens, adults, and families
- * Parenting tips for handling discipline, transitions, and behavioral issues
- *How to practically and emotionally support children and teens with autism and sensory issues
- * Ways to advocate for your child at school and make schools more "sensory smart"
- *How to help your child with sensory issues use technology effectively and responsibly
- * Ways to empower your child and teen in the world
- * Where to get the best professional help and complementary therapies
