Give me one more chance to love you the right way.

On her wedding day, Kallie finds her wealthy fiancée messing around with his best man's wife. Humiliated and angry, she decides to go on her honeymoon—alone. It's already paid for, so why not?

She swears off rich men for the rest of her life, and that's why the surfer hunk seems like the perfect distraction. Short term. No Strings. When they're trapped together in a storm, she realizes her feelings run deeper than expected.

Back home in New York, her fiancé is begging for another chance. Unsure of what to tell him, their conversation is interrupted when the surfer shows up, dressed to the nines.

Will Kallie go back to her ex, or will she give the surfer-slash-billionaire a chance, even though she's sworn off rich guys forever?

And will the surfer, who's always hated gold diggers, think Kallie is the real thing?

In the end, we only regret the chances we didn't take.
