**Ted Bundy Al Cimino Read ebooks [EN] PDF, ePub, Mobi, On first impressions, Ted Bundy seemed like the perfect all-American boy. He was good-looking, fun and very charming; many women found him irresistible...**

But deep inside he was an evil monster who terrorised large areas of America, assaulting and murdering numerous women and adolescent girls. He used his insider knowledge of law enforcement to evade detection, escaping from imprisonment twice before his eventual capture. While he confessed to 30 killings, the real figure was probably much higher and many of the bodies have never been found.

Crime writer and journalist Al Cimino delves into this astonishing and tragic tale, providing a detailed account of Bundy's crimes and the twisted manipulations of his victims. This is the story of a chameleon-like psychopath and necrophile who lured innocent victims to a horrible end.
