Jamie Connors has decided a job is more important than a boyfriend. She's landed an awesome position working as billionaire Alex Reid's personal PA. It is not meant to be a job with benefits and yet she finds herself in Alex' bed. Despite being smart, pretty, and slightly overweight, she doesn't believe she's attractive enough for a man like Alex.

Trying to manage work and put as much time into her sister's wedding, Jamie finds herself trying to please everyone. Her sister's wedding is at the foreground of the family's attention. Jamie would be fine if her sister wasn't so bossy, if her mother would stop nagging and her awful ex-boyfriend wasn't about to become her brother-in-law.

Jamie has to learn to love herself again, speak up for herself and have the confidence to go after what she wants. She also needs to prove to Alex that she's perfect for her job and for his bed.
