Anne reveals the relationships between eight people living under miserable conditions: facing hunger, threat of discovery and the worst horrors the modern world had seen. In these pages, she grows up to be a young woman and a wise observer of human nature. She shares an unparalleled bond with her diary, which holds a detailed account of Anne's close relationship with her father, the lack of daughterly love for her mother, admiration for her sister's intelligence and closeness with her friend Peter. Anne Frank's account offers a compelling self-portrait of a sensitive and spirited young woman who turns thoughtful and learns of the many terrors of the world.
