To be our best selves, we must become secure in our insecurities. In *The Hidden Power of F*cking Up*, The Try Guys - Keith, Ned, Zach, and Eugene - reveal their philosophy of trying: how to fully embrace fear, foolishness, and embarrassment in an effort to understand how we all get paralyzed by a fear of failure. They'll share how four shy, nerdy kids have dealt with their most poignant life struggles by attacking them head-on and reveal their - ahem - sure-fail

strategies for achieving success.

But they're not just here to talk; they're actually going to put their advice to work. To demonstrate their unique self-improvement formula, they'll each personally confront their deepest insecurities. A die-hard meat-lover goes vegan for the first time. A straight-laced father transforms into a fashionista. A perpetually single sidekick becomes the romantic lead. A child of divorce finally grows more intimate with his family. Through their insightful, emotional journeys and surprising, hilarious anecdotes, they'll help you overcome your own self-doubt to become the best, most f*cked up version of yourself you can be!
