Meet Lucy, aged 25, and Brenda, aged 79. Neighbours, and unlikely friends.

Lucy Baker is not your usual 25-year-old. She is more at home reading and knitting in her cluttered little flat than going out partying and socialising.

79-year-old Brenda is full of wise and wonderful advice, but when she's diagnosed with dementia her life begins to change. Before her memories slip away for ever, Brenda is desperate to fulfil one last wish - to see Lucy happy.

Gifting Lucy the locket that helped Brenda find her own true love, she hopes to push her reticent neighbour in the right direction. But is Lucy Baker ready for the opportunities and heartbreaks of the real world? It's about time she put her knitting needles aside and found out...

The Hopes and Dreams of Lucy Baker will be the most charming, heart-warming and feel-good novel you will read this year, perfect for fans of Ruth Hogan and Gail Honeyman.

About the author

After gaining a history degree, Jenni Keer embarked on a career in contract flooring before settling in the middle of the Suffolk countryside with her husband, an antique-restorer. She valiantly attempted to master the ancient art of housework but with four teenage boys in the house, it remains a mystery. Instead, she spends her time at the keyboard writing women's fiction.
