The Proximity Principle Ken Coleman Read ebooks [EN] PDF, ePub, Mobi, Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know there's something better out there, but they just don't know how to reach it.

One basic principle—The Proximity Principle—can change everything you thought you knew about pursuing a career you love.

In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love.

Forget the traditional career advice you've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process.

You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill.

After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come—and you'll be prepared to take them.
