The Truth About Employee Engagement Patrick M. Lencioni Read ebooks [EN] PDF, ePub, Mobi, *The Truth About Employee Engagement* was originally published as *The Three Signs of a Miserable Job*.

A bestselling author and business guru tells how to improve job satisfaction and performance.

In his sixth fable, bestselling author Patrick Lencioni takes on a topic that almost everyone can relate to: job misery. Millions of workers, even those who have carefully chosen careers based on true passions and interests, dread going to work, suffering each day as they trudge to jobs that make them cynical, weary, and frustrated. It is a simple fact of business life that any job, from investment banker to dishwasher, can become miserable. Through the story of a CEO turned pizzeria manager, Lencioni reveals the three elements that make work miserable -- irrelevance, immeasurability, and anonymity -- and gives managers and their employees the

keys to make any job more engaging.

As with all of Lencioni's books, this one is filled with actionable advice you can put into effect immediately. In addition to the fable, the book includes a detailed model examining the three root causes of job misery and how they can be remedied. It covers the benefits of managing for job engagement within organizations -- increased productivity, greater retention, and competitive advantage -- and offers examples of how managers can use the applications in the book to deal with specific jobs and situations.

Patrick Lencioni is President of The Table Group, a management consulting firm specializing in executive team development and organizational health. As a consultant and keynote speaker, he has worked with thousands of senior executives and executive teams in organizations ranging from Fortune 500 companies to high-tech startups to universities and nonprofits. His clients include AT&T, Direct TV, JCPenney, Microsoft, Nestle, Northwestern Mutual, Southwest Airlines and St. Jude Children's Research Hospital. Lencioni is the author of ten bestselling books, including *The Five Dysfunctions of a Team* and *The Advantage*. He previously worked for Oracle, Sybase, and the management consulting firm Bain & Company.
