College was a time of fun, adventure, and mischief between Amber, Jessica, Kristin, and Jason, who all had more than a good time sharing an apartment, and of course, each other.

When the group split up though, Amber and Jessica kept that dirty little secret from their husbands. With the s*xu\$l tension still strong, and Kristin plotting for an all-out adventure weekend, the girls will be forced to own up to their past.

Will the passion fizzle away right then and there? Or will Austin and Matt be ready to jump right in when they find themselves snowed in with everyone sharing one cabin?
