When she was six years old, Kya's mother abandoned her and her siblings. Eventually deserted by her father and siblings, Kya learns to live by herself. She is taunted as a swamp rat and retreats from interaction with the community around her. Nature becomes her source of solace and sustenance. Kya becomes fascinated with wildlife and nature including insects, birds, dappled light, the marshes' shifting tides. She has a collection of feathers and shells and explores the wetlands and its feathered residents. She is drawn to two men as she yearns for love and connection. She opens herself to this new experience and the unexpected happens. Meanwhile, the police start looking for the killer of Chase Andrews.

Where the Crawdads Sing is a debut novel by wildlife scientist and nature writer Delia Owens. It is a #1 New York Times bestseller by Owens who co-wrote nonfiction books on nature

and wildlife including the international bestseller Cry of the Kalahari.

A Brief Look Inside:

EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on.

Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on.

These questions can be used to create hours of conversation:

- **Foster** a deeper understanding of the book
- **Promote** an atmosphere of discussion for groups
- **Assist** in the study of the book, either individually or corporately
- **Explore** unseen realms of the book as never seen before
